# **LIVING VESSELS OUTREACH GHANA**

**B R O C H U R E**

Living Vessels Outreach Ghana had its first donation event for the vulnerable (sick, aged, widowers, widows, and orphans) on the 24th of December, 2021 at Akismasu, Aworopataa, and Anitinfe. As a festive season, food items like rice, cooking, mackerels, biscuits, and drinks were shared with over 110 people, and also, shared clothes and shoes. The joy and happiness expressed by the beneficiaries was just overwhelming.

## **The Girl Child Empowered Project**

Organized by Living Vessels Outreach Ghana, The Girl Child Empowered project transformed the lives of 300 young girls from Wenchi Yoyoano Methodist, Hansua K. Twi School, and Apenteng Fosu School in Wenchi and Techiman. This initiative addressed two critical areas: education and menstrual hygiene.

The girls received school supplies, textbooks, tutoring support, and workshops to boost their academic performance and skills. In addition, sanitary pads and hygiene kits were provided, promoting menstrual health and breaking stigmas around menstruation.

The project significantly improved access to education, increased confidence in menstrual management, and fostered a sense of belonging and empowerment, equipping the girls to thrive in both academic and personal pursuits.

## Christmas Donation Drive 2022

On 22nd December 2022, Living Vessels Outreach Ghana, Cry of the Remnants, and MC Appiah Foundation joined forces to support widows and orphans in Tweapease, Nnwensa, and Abom in Kumasi during the Christmas season. We donated essential food items, including rice, cooking oil, and canned goods, to provide nutritious meals and festive joy to vulnerable groups.

Volunteers distributed the items with warmth and compassion, offering encouragement and holiday cheer. The initiative brought hope and comfort to the recipients, showcasing the power of unity and community spirit in making a meaningful impact.

## Christmas Donation Drive 2023

On 23rd December 2023, Living Vessels Outreach Ghana, Cry of the Remnants, and MC Appiah Foundation united to spread Christmas cheer to widows and orphans in Tarikpaa, Savelugu, and the Gambaga Witches Camp. Through a joint donation drive, essential food items like rice, cooking oil, and canned goods were collected and distributed to provide nutritious meals during the festive season.

Volunteers from the three organizations shared words of encouragement and compassion, creating a heartwarming atmosphere. The initiative brought hope and gratitude, showcasing the power of unity and community in supporting vulnerable groups.

## Borehole Commissioning and Community Outreach in Opanin Kofi Nsowa community

On 14th December 2024, Living Vessels Outreach Ghana commissioned a borehole to provide clean water for the Opanin Kofi Nsowa community and 10 nearby villages in the Bono Region. The event included a health screening session for blood pressure and blood sugar levels, alongside education on good health practices and menstrual hygiene for young girls.

Additionally, the organization distributed food, drinks, and clothing to the residents, fostering a sense of care and support. This initiative improved access to clean water, promoted health awareness, and addressed essential community needs.

## **Pad Her Up Program in Senya Breku**

Living Vessels Outreach Ghana, in collaboration with Seeking Beyond Limitations (Italy), organized the Pad Her Up program for 200 young girls in Senya Breku, Central Region. The initiative focused on menstrual hygiene education and girl child development.

Participants received sanitary pads and were engaged in discussions on menstrual health, self-care, and empowerment. This program aimed to equip the girls with knowledge and resources to manage their health with confidence while promoting their overall development.
